This representation letter is provided in connection with your audits of the financial statements of Hudson Yards Development Corporation ("HYDC"), which comprise the government-wide statements of net position as of June 30, 2014 and 2013 and the statements of activities for the years then ended, and the governmental funds balance sheets as of June 30, 2014 and 2013 and the statements of revenues, expenditures and changes in fund balances for the years then ended, and the related notes to the financial statements, for the purpose of expressing an opinion as to whether the financial statements are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP").

Certain representations in this letter are described as being limited to matters that are material. Items are considered material, regardless of size, if they involve an omission or misstatement of accounting information that, in light of surrounding circumstances, makes it probable that the judgment of a reasonable person relying on the information would be changed or influenced by the omission or misstatement. An omission or misstatement that is monetarily small in amount could be considered material as a result of qualitative factors.

We confirm, to the best of our knowledge and belief, as of the date of this letter, the following representations made to you during your audits.
